

June 2, 2021

Dear Parents and Graduates,

First I would like to apologize for the late information concerning the details of the Cap and Gown ceremony. Because of Covid-19 and the recent announcement of the Alberta Government and clarification concerning that announcement we are finally in a position to share more details for our Grad event.

Right now the weather looks like it will cooperate for us to go ahead on Saturday June 12, **this date will be confirmed on Monday June 7th. We will continue to watch the forecast and only change after that if absolutely necessary.**

Here are times and details:

- Tuesday pick up cap and gowns any time during school hours
- Thursday 4pm Virtual Feather Blessing Ceremony
- Friday June 11 at 1:30 sharp a rehearsal
- Saturday June 12, **12-12:30** pick up picnic lunch
- Grads be at school at 5:15
- Drive by community celebration at 5:30
- Parking opens at 6:15 - **ONE VEHICLE PER GRADUATE**
- **Graduation ceremonies begin at 7pm**

If we move to a phase 2 we will have more flexibility for the event (ie grads on stage, group picture, cap toss, photo booth). This event will be live streamed and posted to YouTube to be viewed after for family and friends.

Please call the school if you have any questions. Thanks so much for your patience.

Nony Orr
