

FP WALSHE NEWSPAPER

November 1, 2023

FP WALSHE NEWSPAPER CLUB INTRODUCTION

FP Walshe students started a newspaper club this month and began their collaboration with the Fort Macleod Gazette.

The goal of this club is to establish a connection between the school and the community by providing community members with school news. This also gives students the opportunity to develop real-life skills for and work experience in potential careers in journalism and media.

This year, students have developed a variety of new clubs, such as the Newspaper Club, Chess Club, D&D Club, E-Sports Club, and Music Club.

The Chess Club is currently holding their first-ever tournament. Tournaments are divided into three sections: Middle School, High School, and Teachers. These tournaments will start each school quarter.
