

# FP WALSHE NEWSPAPER

November 29, 2023

## A BUSY WEEKEND FOR WALSHE

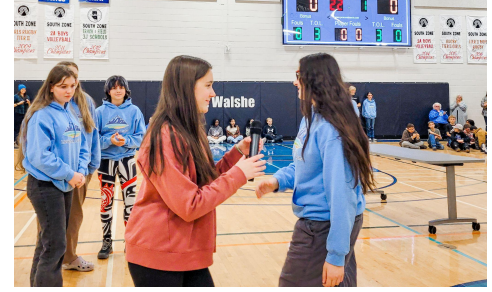

This past weekend was filled with many exciting events for FP Walshe students! On Thursday November 23rd, members of Livingstone Leaders, a division-wide student leadership group, had a meeting at Walshe and introduced themselves to the students at Walshe's assembly.

On Friday November 24th, middle school students welcomed the public, along with other students and staff, to their annual Christmas market, which was a great success. Students sold food and handmade craft items to fundraise money for the school.

FPW also hosted a celebratory end-of-season volleyball tournament for WA Day Wolfpack members.

After school on Friday, the 2024 graduating class gathered to decorate their float for Fort Macleod Santa Claus Parade. The theme of the float was Candy Land. Students worked together to assemble decorations that they made and collected.

On Saturday November 25th, the grads gathered early to set up for a pancake breakfast fundraiser, where they served pancakes to the community before getting on their parade float to show their school spirit, and hand out candy to the spectators.

### UPCOMING EVENTS:

**Nov 30:** SAIL Meeting in Lethbridge

**Dec 4:** PD Day - No school grades 6-9
